

TRAFFIC INCIDENT MANAGEMENT (TIM) TRAINING

TRAINING DETAILS

Course: 4-Hour FHWA Responder TIM Training
Date: Wednesday, October 21st, 2026
Time: 09:00 - 13:00
Location: WSDOT, 1411 Rush Rd, Chehalis, WA, 98532 - conference room out in front parking lot not attached to main building.

COURSE OBJECTIVES

Coordinated incident response on Washington State roadways and highways is vital for life-saving operations, congestion management and collision- investigations. The 4-hour National Traffic Incident Management (TIM) Responder Training course teaches every responder community how to safely and quickly clear traffic incidents. TIM Training is a course designed by responders for responders to achieve understanding and coordination working roadway incidents.
